

Curriculum Vitae

Fan-Yun Lan, M.D., M.S., Ph.D.

Assistant Professor, Institute of Health and Welfare Policy,
National Yang Ming Chiao Tung University (Taipei, Taiwan)
Attending Physician, Occupational Medicine,
National Yang Ming Chiao Tung University Hospital (Yilan, Taiwan)
Adjunct Assistant Professor, Environmental & Occupational Medicine & Epidemiology Program,
Harvard T.H. Chan School of Public Health (Boston, US)
Research Fellow, Occupational & Environmental Medicine,
Cambridge Health Alliance, Harvard Medical School (Boston, US)
E-mail: flan@hsph.harvard.edu

EDUCATION

- 2017.08 –2021.05 Doctor of Philosophy in Population Health Sciences
Graduate School of Arts and Sciences, Harvard University
(*Dissertation: The Effects of a Healthy Lifestyle Intervention on Fire Recruits' Health*)
2013.09 –2015.06 Master of Science in Environmental Health
Department of Environmental and Occupational Health, National Cheng Kung University, Tainan, Taiwan
2004.09 –2011.06 Doctor of Medicine,
Department of Medicine, National Taiwan University, Taipei, Taiwan

RESEARCH ACTIVITIES AND FUNDING

- 111-2314-B-A49A-507-MY3 Dec 1, 2022 - Oct 31, 2025
National Science and Technology Council, Taiwan
A Multi-language Smartphone-based Healthy Lifestyle Intervention for Firefighters: An International Collaborative Study
Role: PI
- MOST 111-2321-B-006-009- Mar 1, 2022 – Jan 31, 2023
MOST-NCKU's Research Center for Epidemic Prevention (成功大學防疫科學中心), Taiwan
Long-term effects of COVID-19 on residual symptoms, mental health, and functional status among healthcare workers: An international comparison study between Taiwan and US
Role: site PI
- T42 OH008416 Aug 26, 2021 – Jun 30, 2022
Harvard-NIOSH Education and Research Center (ERC), USA
Longer-term effects of existing academy training and a healthy lifestyle intervention incorporated training on fire recruits
Role: Trainee

PUBLICATIONS

a. Journal articles

1. Sidossis, A., **Lan, F.-Y.**, Hershey, M.S., Hadkhale, K., & Kales, S.N.* (April 2023). Cancer and potential prevention with lifestyle among career firefighters: A narrative review. *Cancers*, 15(9), 2442. (IF= 6.575; Rank = 60/245, ONCOLOGY (SCIE))

b. Conference presentations

1. **Lan F-Y**, Hershey M.S., Bouziani E., Huang Y-C, Lai S-Y, Chen X.Y., Sotos-Prieto M., Kales S.N. Smartphone-based Mediterranean lifestyle application for new firefighters. Presented at the Conference of Cretan Lifestyle: Mediterranean Tradition & Modern Applications 2022, Crete, Greece. November 7-11, 2022. (poster)
2. Ko S., Joseph S., Sidossis A., **Lan F-Y**, Kales S.N. Beyond two-years post academy graduation follow up of health and fitness in a cohort of firefighters during their early career. Presented at the American Occupational Health Conference 2022, Salt Lake City, United States. May 1-4, 2022. (oral)
3. **Lan F-Y**, Kuo Y-C, Guo H-R. Effect of muscle stretching on musculoskeletal discomfort among workers in a distillery - A one-year follow-up study. Presented at the Conference of International Society for Environmental Epidemiology and International Society of Exposure Science - Asia Chapter 2016, Sapporo, Japan. June 26-29, 2016. (oral)
4. **Lan F-Y**, Liou Y-W, Wang J-D. Outbreak investigation: A Cluster of Container Truck Drivers with Cervical Herniated Discs Probably Related to Occupational Vibration Hazard. Presented at the 31st International Congress on Occupational Health, Seoul, Korea. May 31-June 5, 2015. (oral)
5. **Lan F-Y**, Tseng Y-C, Guo H-R. Self-reported health of tour managers in Taiwan. Presented at the 31st International Congress on Occupational Health, Seoul, Korea. May 31-June 5, 2015. (poster)
6. **Lan F-Y**, Guo H-R. Self-reported health of tour managers in Taiwan. Presented at the 2015 International Conference on Industrial Hygiene and Occupational Medicine, Kaohsiung,

- Taiwan, April 25-26, 2015. (oral)
7. **Lan F-Y**, Liou Y-W, Wang J-D. Outbreak investigation: A Cluster of Container Truck Drivers with Cervical Herniated Discs Probably Related to Occupational Vibration Hazard. Presented at the 2015 International Conference on Industrial Hygiene and Occupational Medicine, Kaohsiung, Taiwan, April 25-26, 2015. (poster)

c. The Guideline for Identification and Recognition of Occupational Diseases

1. **Lan F-Y**, Kuo Y-C. *Guide to Occupational Diseases: Severe Acute Respiratory Syndrome, SARS. 2013.* (Available at: <https://www.osha.gov.tw/media/7185908/職業相關-嚴重急性呼吸道症候群-sars-認定參考指引.pdf>)
2. **Lan F-Y**, Guo H-R. *Guide to Occupational Diseases: n-Bromopropane intoxication. 2015.* (Available at: <https://www.osha.gov.tw/media/6112/職業性溴丙烷中毒及其續發症認定參考指引.pdf>)

WORK EXPERIENCES

- | | |
|------------------|---|
| 2023.03 – | Attending Physician, Occupational Medicine, Department of Family Medicine, National Yang Ming Chiao Tung University Hospital, Yilan, Taiwan |
| 2023.02 – | Assistant Professor, Institute of Health and Welfare Policy, National Yang Ming Chiao Tung University, Taipei, Taiwan |
| 2022.10 – | Adjunct Assistant Professor, Department of Environmental Health, Harvard T.H. Chan School of Public Health |
| 2021.06 – | Post Doctoral Research Fellow, Occupational & Environmental Medicine, Cambridge Health Alliance, Harvard Medical School |
| 2022.08 –2023.01 | Adjunct Assistant Professor, Institute of Health and Welfare Policy, National Yang Ming Chiao Tung University, Taipei, Taiwan |
| 2016.02 –2023.01 | Attending Physician, Department of Occupational and Environmental Medicine, National Cheng Kung University Hospital, Tainan, Taiwan |
| 2021.09 –2022.08 | Post Doctoral Research Fellow, Department of Environmental Health, Harvard T.H. Chan School of Public Health |
| 2021.08 –2022.06 | Visiting Fellow, Population Health Sciences, Harvard Graduate School of Arts and Sciences |
| 2020.01 –2022.06 | Teaching Fellow, Department of Environmental Health, Harvard T.H. Chan School of Public Health |
| 2021.01 –2021.06 | Research Fellow, Occupational & Environmental Medicine, Cambridge Health Alliance, Harvard Medical School |
| 2016.02 –2016.12 | Attending Physician, Workers' Health Services Center, Occupational Safety and Health Administration, Ministry of Labor, Taiwan |
| 2014.08 –2017.07 | Clinical Instructor, Department of Occupational and Environmental Medicine, College of Medicine, National Cheng Kung University, Tainan, Taiwan |
| 2015.08 –2017.07 | Occupational physician, HannStar® Display Corporation, Tainan, Taiwan |
| 2015.01 –2016.02 | Occupational physician, Longtian Distillery, Taiwan Tobacco & Liquor Corporation, Taiwan |
| 2016.02 | Invited Speaker, "0206 Earthquake" Post-Traumatic Stress Disorder (PTSD) Consultative Lectures Given in Tainan City Government Fire Bureau |
| 2015.08 –2016.02 | Chief Resident, Department of Occupational and Environmental Medicine, National Cheng Kung University Hospital, Tainan, Taiwan |
| 2013.08 –2016.02 | Resident, Department of Occupational and Environmental Medicine, National Cheng Kung University Hospital, Tainan, Taiwan |

LICENSE & CERTIFICATES

- | | |
|---------|--|
| 2015.10 | Specialty Board in Occupational Medicine, Taiwan |
| 2015.03 | Teaching Assistant Workshop Certification, National Cheng Kung University, Tainan, Taiwan |
| 2014.12 | Certificate of Basic Occupational Health Services Provider, Taiwan Environmental and Occupational Medicine Association |
| 2014.08 | IRB Human Research Evaluation Certification, National Cheng Kung University Hospital, Tainan, Taiwan |
| 2013.12 | Certificate of Health Checkup Provider for Hazardous Jobs, Taiwan Environmental and Occupational Medicine Association |
| 2012.12 | Certificate of Advanced Cardiac Life Support Provider, Department of Emergency, National Taiwan University Hospital |

2012.06	National English Tour Leader Certificate
2012.06	National English Tour Guide Certificate
2011.05	Clinical Skill Certificate of Fitness, Taiwan Association of Medical Education

PROFESSIONAL SERVICES

a. Invited reviewer for international journals

BMJ
Emerg Infect Dis
Environ Health
Front Environ Health
Front Public Health
J Occup Environ Med
J Occup Med Toxicol
La Medicina del lavoro
PeerJ
PLoS One
Sci Total Environ

b. Services

2022.12 –present	International Scientific Committee, 35th Annual Conference of the International Society for Environmental Epidemiology
2022.10 –present	Review editor/ editorial board, <i>Frontiers in Environmental Health</i>
2022.10	Admission Committee, Institute of Health and Welfare Policy, National Yang Ming Chiao Tung University
2018.04 –2019.08	Bargaining Committee, Harvard Graduate Students Union
2016.06	Chairman for Symposium Session, Conference of International Society for Environmental Epidemiology and International Society of Exposure Science - Asia Chapter 2016, Sapporo, Japan
2016.07 –2018.05	Deputy Secretary General, Taiwan Environmental and Occupational Medicine Association

c. Professional memberships

2023.03 –present	Member of Yilan Medical Association
2017.12 –present	Member of American Industrial Hygiene Association - New England Local Section
2015.10 –present	Member of Taiwan Environmental and Occupational Medicine Association
2011.10 –present	Member of Taiwan Medical Association
2013.08 –2023.02	Member of Tainan Medical Association
2012.03 –2013.07	Member of Taipei Medical Association

RESEARCH INTERESTS

Occupational Medicine, Occupational Health, Environmental Health, Epidemiology, Public Health, Health Promotion, Health Issues in Stressful Occupations

RESEARCH SKILLS

Study design: Cross-sectional, Longitudinal follow-up, Case-control, Prospective/ Retrospective cohort, Clinical trials
 Statistical program: R, SPSS, SAS

TEACHING EXPERIENCES

2023.02 –	Assistant Professor, Institute of Health and Welfare Policy, National Yang Ming Chiao Tung University, Taipei, Taiwan
-	Instructor of Occupational Health Policy and Administration
-	Primary academic advisor for three master students (T-YL, C-NC, and THTT)
2022.10 –	Adjunct Assistant Professor, Department of Environmental Health, Harvard T.H. Chan School of Public Health
-	Primary academic mentor of a post-doctoral research fellow

- 2022.08 –2023.01 Adjunct Assistant Professor, Institute of Health and Welfare Policy,
National Yang Ming Chiao Tung University, Taipei, Taiwan
- Instructor of Seminar on Health and Welfare Research (B)
- 2020.01 –2022.06 Teaching fellow, Harvard T.H. Chan School of Public Health
- Assisting instructors of EH 231 (Occupational Health Policy & Administration) and EH 232 (Introduction to Occupational & Environmental Medicine)
 - Holding office hours for students taking the classes at Harvard T.H. Chan School of Public Health
 - Grading assignments and papers
- 2016.07 Volunteer team physician and clinical instructor, National Taiwan University Voluntary Medical Service Team
- Teaching 70 students in medical college with majorities of medicine, nurse, pharmacy, physical therapy, and occupational therapy
 - Being consulted for community-based patient approach
 - Delivering lectures, instructing concepts of field study and practice on public health
- 2015.10 Substitute teacher, Environment, Occupation and Human Health
- Teaching field of liberal arts in a class consisted of 50 students with various majority, including economy, chemistry, and engineering
 - Organizing teaching materials
- 2015.02 –2015.07 Tutor, Practice of Environmental and Occupational Medicine (2)
- Being consulted for class materials and career advices
 - Mentoring research proposal and methodologies
- 2014.08 –2023.01 Instructor, Clerkship in Occupational and Environment Medicine
- Teaching 40 medicine students, organizing syllabus and teaching materials
 - Delivering lectures, marking examination papers and facilitating group discussion
 - Arranging internship program of basic occupational health services

HONORS & AWARDS

- 2022 Academic Faculty Teaching Award, Harvard Chan School of Public Health Occupational and Environmental Medicine Residency Program: Awarded for excellence in teaching, igniting imagination, inspiring hope, and instilling a love for learning
- 2021 Award for Developing Advanced Skills and Competence Abroad, National Cheng Kung University Hospital (成大醫院菁英計畫)
- 2019 Diversity and Inclusion Express Grant, Harvard Culture Lab, Harvard University: Awarded for coordinating “Reveal: The 2019 Harvard Taiwan Arts Festival”
- 2017 First Place, Annual Teaching Innovation Competition, National Cheng Kung University Hospital
- 2016 Merit Award, Annual Teaching Innovation Competition, National Cheng Kung University Hospital
- 2016 Graduate Study Fulbright Grant
- 2016 Evidence-based Research Grant (NCKUH-10503021) from National Cheng Kung University Hospital, Taiwan: Awarded in recognition of comprehensive research skills among hundreds of candidates
- 2015 Government Scholarship for Overseas Study, Ministry of Education, Taiwan: Awarded for outstanding academic performance and successfully passing all necessary competitive examinations among thousands of candidates
- 2015 Ministry of Science and Technology Subsidies to Graduate Students to Attend International Conferences (MOST-104-2922-I-006-096). 31st International Congress on Occupational Health, Seoul, Korea. May 31-June 5, 2015
- 2015 National Cheng Kung University Subsidies to Graduate Students to Attend International Conferences (IC104080). 31st International Congress on Occupational Health, Seoul, Korea. May 31-June 5, 2015

2011	Outstanding Clinical Performance Award, Taiwan Association of Medical Education
2011	Altruistic Youth Award, National Taiwan University, College of Medicine: Awarded for devoting in public services and for being ardent to help people all the time, out of more than a thousand students
2010	Outstanding Youth Award, National Taiwan University, College of Medicine: Awarded for both academic and personal characteristics excellence among hundreds of candidates
2010	Young College Elite, China Youth Corps: Awarded in recognition of social service and dedication among thousands of candidates
2009	Outstanding College Youth of National Taiwan University, selected from more than a thousand students

EXTRACURRICULAR ACTIVITIES

2021.01 –	Board Member, Taiwan Film Festival of Boston
2019.03 –2021.01	President (founding), Taiwan Film Festival of Boston
2017.12 –2018.12	President, Harvard Taiwan Student Association
2016	Voluntary Blood Donor: 46 Donations
2014.07	Qualification Training Program for English-Language Tour Manager, Association of Tour Managers, Taiwan
2010.04	Leader, Team of National Taiwan University, Cross-strait Medical Student Symposium, Beijing, China
2009.06 –2010.01	Class Representative of the 6th Year Faculty of Medicine, National Taiwan University, Taiwan
2009.07	Leader, National Taiwan University Voluntary Medical Service Team, Taitung, Taiwan
