Institute of Health and Welfare Policy (Ph. D. Program)

Academic Year 2023-2024

| | |
|---|--|
| Mini. Term of Study | two to seven years |
| Minimum Credits | <p>The student must complete 36 credits before graduation, including</p> <ol style="list-style-type: none"> 1. Required courses: 6 credits 2. Required elective courses: 4 credits 3. Major courses :12 credits 4. Minor courses :8 credits 5. Other courses : 6 credits <p>Credits of English courses are not included.</p> |
| Minimum Credits for Direct-Entrance Ph.D. | <p>A student who pursues a doctoral degree directly shall complete a minimum of 48 credits of which 36 credits are earned from the curriculums of this department's graduate school. Credits of English courses are not included.</p> |
| Curriculum and Regulations | <ol style="list-style-type: none"> 1. Required courses: Advanced Health & Social Services Research Methods (2 credits) or Epidemiologic Methods (3 credits) 、 Advanced analysis of Biostatistics (2 credits) or Advanced Qualitative Method (2 credits) (or subjects approved by the board meeting) 、 Special Studies and Research on Health and Social Policy (2 credits) and Academic Research Ethics(0 credits) 、 Gender Equity Education Online Course (0 credits). 2. Elective course: All elective courses are listed on the document from the Academic Affair Office. Some elective courses are must; these are two General Seminar on Health and Welfare Policy (1 credits); and one Special Seminar on Health and Welfare Policy (2 credits). While taking the seminar courses, students must present their paper in English once per course. In addition, students must also give an English presentation in the last class of the course in each semester. Students who do not have a background in welfare policy must take at least one elective course in welfare policy domain, and similarly, students who do not have a background in health must take at least one course in health domain. 3. Required elective course: Based on students' specialty, they must take at least 4 courses (8 credits minimum) that are approved by their advisors. 4. English language requirement: To meet the English language requirements, students can take courses or pass tests. For students who choose the former, they must earn a total of 4 credits from courses related to English (total 72 hours), which are either listed or approved by the Institute of Health and Welfare Policy. For students who choose the latter, they must either pass the minimum English Proficiency Test listed below or graduate from an English Teaching University on the Bureau of Education's approved list. |

| | Name of the Test | TOEFL iBT | TOEIC | IELTS | GEPT | FLPT |
|--|------------------|---------------|----------------|----------------|-------------------------------|---|
| | Score/Level | 80 (or above) | 750 (or above) | 5.5 (or above) | High-Intermediate First Stage | 70 points for each sub-item in the English written test |
